## Consumer Information

Section I contains information on stopping distances, tire reserve loads and passing ability as required by the Consumer Information Regulations issued by the National Highway Traffic Safety Administration of the United States Department of Transportation. As permitted by the Regulations, data for various models with differing options and accessories are often grouped in a single table. **Since the Regulations require that the least favorable figures for any specific model in the group be reported for the entire group, the actual performance of most vehicles in the group will be better than the figures reported.**

Data for stopping distances and passing ability were derived from tests conducted with new vehicles under optimum road conditions by highly skilled test drivers and are not necessarily representative data for a used vehicle, for many road conditions, or for the abilities of most drivers.

## Warranty Information

Section II contains warranty information on Chevrolet consumer products as required by the Magnuson-Moss Consumer Product Warranty Act. Included are the complete texts of written warranties covering new vehicles, engines, emission control systems and batteries. Also included are warranties covering optional equipment available on Chevrolet vehicles which is warranted separately by its manufacturer. In addition, this section of the booklet contains the other warranty related information included in 1977 Owner Warranty Folders.

# Contents

## **Consumer and Warranty Information**

<b>SECTION I—CONSUMER INFORMATION</b>	<b>PAGE</b>

A.C. Electric Power Kit Warranty.....	28
Stove Warranty.....	29
Heater Warranty.....	30
Three-Way Refrigerator Warranty.....	31

## Vehicle stopping distances

These tables give stopping distances under four different braking conditions. All Chevrolet models listed will have stopping distances equal to or better than the reported figures.

These figures represent stopping distances from 60 mph by limiting the force on the brake pedal to 150 lbs. as specified in the Consumer Information Regulation 575.101. Stopping distances may be shorter than those reported when pedal force in excess of 150 lbs. is applied.

### Fully operational service brake

A fully operational service brake system is the regular braking system that applies the brakes to all four wheels. The figures represent the stopping distances recorded under light and maximum load.

Light load includes the normal weight of the car, oil, coolant, and a full tank of gas plus 300 lbs. allowance for driver and passenger.

Maximum load is Chevrolet's recommended full-rated load. It includes oil, coolant, full tank of gas and all optional equipment that weighs over 5 lbs. plus the passenger and luggage load listed on the tire placard. (The placard is located on the rear face of the driver's door.)

### Emergency service brake system

The emergency service brake system means that only a portion of the fully operational service brake system is in operation, either the front or rear brakes. A red light in the instrument panel indicates when this condition exists. The figure represents the most adverse condition, whether at light or maximum loads, when two of the four service brakes are purposely deactivated.

### Brake power unit failure

The figure applies only to cars equipped with power brakes and represents the stopping distance recorded under maximum load after purposely deactivating the power assist unit. Brake power unit failure means the loss of power assist only and does not imply the loss of ability to stop the car. However, in case of power assist failure, it does require more force on the brake pedal to stop than it does to stop a car equipped with non-powered brakes.

**NOTICE:** These tables indicate braking performance that can be met or exceeded by the vehicles to which each table applies under different conditions of loading and with partial failures of the braking system. The information presented represents results obtainable by skilled drivers under controlled road and vehicle conditions, and the information may not be correct under other conditions.

## Tire reserve load

These tables list the tire size designations recommended by Chevrolet for use on the vehicles to which they apply, with the recommended inflation pressure for maximum loading and the tire reserve load percentage for each of the tires listed. The tire reserve load percentage indicated is met or exceeded by all Chevrolet models to which the tables apply.

**WARNING:** Failure to maintain the recommended tire

*inflation pressure or to increase tire pressure as recommended when operating at maximum loaded vehicle weight, or loading the vehicle beyond the capacities specified on the tire placard affixed to the vehicle, may result in unsafe operating conditions due to premature tire failure, unfavorable handling characteristics, and excessive tire wear. The tire reserve load percentage is a measure of tire capacity, not of vehicle capacity. Loading beyond the specified vehicle capacity may result in failure of other vehicle components.*

## Acceleration and passing ability

These tables indicate passing times and distances that can be met or exceeded by all Chevrolet models to which they apply, in the situations diagrammed.

The low-speed pass assumes an initial speed of 20 mph and a limiting speed of 35 mph. The high-speed pass assumes an initial speed of 50 mph and a limiting speed of 80 mph.

The low and high speed passing maneuver diagrams shown are specified by the Regulation for the purposes of establishing comparable performance data.

The data below are based upon tests subsequent to Chevrolet's recommended break-in procedure for obtaining passing ability data (500 miles on all models except Corvette; 1,000 miles on Corvette).

The passing ability data are based on acceleration tests performed at Chevrolet's recommended full-rated load with accessories (air conditioner or heater, windshield wipers and headlights) at maximum power consuming condition.

**NOTICE: The information presented represents results obtainable by skilled drivers under controlled road and vehicle conditions, and the information may not be correct under other conditions.**

### Caprice Classic and Impala Sedans and Coupes with Engines Less Than 300-Cu.-In. Displacement

LIMITING SPEED:  
80 MPH

Record is made of the time and distance needed to pass a 55-foot truck traveling at a constant speed of 50 mph, as shown above. The car begins accelerating from 50 mph when 100 feet behind the truck and

the passing maneuver is considered completed when the car has reached a point 100 feet beyond the truck. The maximum speed allowed during the pass is 80 mph.

**SELLING DEALER IMPRINT**

\_\_\_\_\_

**TIRE INFORMATION**

Tires are warranted by the tire manufacturer under a separate warranty included with the owner literature supplied with your car. Any authorized Chevrolet dealer will assist you in requesting an adjustment if this becomes necessary. For the added convenience of owners, many Chevrolet dealers have service agreements with tire manufacturers to handle tire warranty adjustments on tires provided on 1977 Chevrolet cars.

(No charge if replaced within the 12-month, 12,000-mile coverage of the Chevrolet New Car Warranty.)

**1977 CHEVROLET PASSENGER CAR EMISSION CONTROL SYSTEMS WARRANTY**

Chevrolet (Chevrolet Motor Division, General Motors Corporation\*) warrants to owners of 1977 Chevrolet passenger cars that the car (1) was designed, built, and equipped so as to conform at the time of sale with applicable regulations of the U.S. Federal Environmental Protection Agency, and (2) is free from defects in materials and workmanship which cause the car to fail to conform with applicable Federal Environmental Protection Agency regulations for a period of use of 50,000 miles or 5 years, whichever occurs first.

The 5-year/50,000-mile warranty period shall begin on the date the car is delivered to the first retail purchaser or, if the car is first placed in service as a demonstrator or company car prior to sale at retail, on the date the car is first placed in such service.

**WHAT IS NOT COVERED BY THE EMISSIONS WARRANTY**

**THE WARRANTY OBLIGATIONS DO NOT APPLY TO:**

- Conditions resulting from misuse, alteration, accident, failure to use unleaded gasoline or not performing maintenance services;
- The replacement of maintenance parts (such as spark plugs, PCV valve, and filters) used in regular maintenance services;
- Loss of time, inconvenience, loss of use of the car or other consequential damages;
- Any car on which odometer mileage has been changed so that mileage cannot be readily determined.

Chevrolet does not authorize any person to create for it any other obligations or liability in connection with these systems. This warranty is in addition to the 1977 Chevrolet New Car Warranty.

\* For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

## RECOMMENDATIONS FOR MAINTENANCE SERVICE REPLACEMENT PARTS

The emission control systems of your new 1977 Chevrolet passenger car were designed, built and tested using genuine GM parts\* and the car is certified as being in conformity with federal regulations implementing the Clean Air Act. Accordingly, it is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new, genuine GM parts.

THE WARRANTY OBLIGATIONS ARE NOT DEPENDENT UPON THE USE OF ANY PARTICULAR BRAND OF REPLACEMENT PARTS. THE OWNER MAY ELECT TO USE NON-GENUINE GM PARTS FOR REPLACEMENT PURPOSES. USE OF REPLACEMENT PARTS WHICH ARE NOT OF EQUIVALENT QUALITY MAY IMPAIR THE EFFECTIVENESS OF EMISSION CONTROL SYSTEMS.

**\*\*"GENUINE GM PARTS,"** when used in connection with Chevrolet vehicles, means parts manufactured by or for Chevrolet, designed for use on Chevrolet vehicles and distributed by Chevrolet Motor Division or any division or subsidiary of General Motors Corporation.

MAINTENANCE SERVICE CAN BE PERFORMED BY ANY QUALIFIED SERVICE OUTLET; HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED CHEVROLET DEALER. Receipts covering the performance of regular maintenance should be retained in the event questions arise concerning maintenance. These receipts should be transferred to each subsequent owner of this car.

If other than new genuine GM parts are used for maintenance replacements or for the repair of components affecting emission control, the owner should assure himself that such parts are warranted by their manufacturer to be equivalent to genuine General Motors parts in performance and durability.

Listed below are components affecting emissions performance of your Chevrolet.

Part No. 460214

## LIMITED WARRANTY ON NEW 1977 CHEVROLET CARS

### WHAT IS COVERED

Chevrolet (Chevrolet Motor Division, General Motors Corporation\*) warrants to owners of 1977 Chevrolet passenger cars which are registered and normally operated in the United States or Canada:

- The Chevrolet dealer of the owner's choice will make any repairs on any part of the car, except tires, made necessary because of defects in material or workmanship for 12 months or 12,000 miles of use, whichever first occurs, and will make any needed service adjustments during the first 90 days of use as determined by a dealer road test, where applicable.
- The warranty period shall begin on the date the car is delivered to the first retail purchaser or first placed in service as a demonstrator or company car, whichever is earlier.
- Warranty repairs and needed service adjustments will be performed without charge to the owner by the Chevrolet dealer at its place of business within a reasonable time after delivery of the car to the dealer.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

CHEVROLET DOES NOT AUTHORIZE ANY PERSON TO CREATE FOR IT ANY OTHER OBLIGATION OR LIABILITY IN CONNECTION WITH THESE CARS. ANY IMPLIED WARRANTY APPLICABLE TO THIS CAR IS LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY. CHEVROLET SHALL NOT BE LIABLE FOR CONSEQUENTIAL COMMERCIAL DAMAGES RESULTING FROM BREACH OF THIS WRITTEN WARRANTY OR ANY IMPLIED WARRANTY.

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you (U.S. only).

\*For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

### WHAT IS NOT COVERED

- Repairs and service adjustments required because of misuse, negligence, alteration, accident, or lack of specified maintenance are not covered, nor are the replacement of maintenance items (such as spark plugs, positive crankcase ventilation valves, filters, brake pads and linings, and clutch discs) made in connection with normal maintenance services.
- Loss of time, inconvenience, loss of use of the car or other matters not specifically included are not covered.
- Any car registered and normally operated outside the United States or Canada. The warranty for these cars shall be that authorized for the country in which the car is registered and normally operated.

### WHAT TO DO IF THERE IS A QUESTION REGARDING WARRANTY

The satisfaction and goodwill of owners of Chevrolet products are of primary concern to Chevrolet dealers and Chevrolet Motor Division. In the event a warranty matter is not handled to your satisfaction, the following steps are suggested:

1. Discuss the problem with your Chevrolet dealership management.
2. Contact the Chevrolet Zone office (General Motors Zone Office in Canada) closest to you as listed in the Chevrolet Owner's Manual.
3. Contact the Customer Service Manager\* at the address below.

CHEVROLET MOTOR DIVISION, GENERAL MOTORS CORPORATION, Detroit, Michigan 48202

\*In Canada contact the Owner Relations Manager at General Motors of Canada Limited, Oshawa, Ontario

**POLICY ON CHEVROLET  
OWNER SERVICE**

**Maintenance Services** — The Owner's Manual and Maintenance Schedule folder furnished with your car provide important maintenance information. Follow these recommendations to help assure satisfactory operation of your car and to avoid conditions arising from negligence or omission which are not covered by the Chevrolet New Car Warranty.

**Warranty Service — United States and Canada** — If you are touring or in the event you move, service under the Chevrolet New Car Warranty will be performed by any Chevrolet dealer in the United States or Canada. In all other cases, it is recommended that warranty service be performed by the authorized Chevrolet dealer who sold you your car because of the dealer's continued and personal interest in you.

**Warranty Service — Foreign Countries** — Where General Motors dealer service is not available in the country in which you are touring and warranty repairs become necessary, you should obtain paid receipts covering the work from the service station or garage that performed the necessary repairs. Upon your return to the United States, a statement of the circumstances relative to the warranty work performed, along with the paid receipts, should be given to your Chevrolet dealer for review and reimbursement consideration.

**Paint and Other Appearance Items** — Imperfections in paint, trim or other appearance items are normally apparent and corrected during new vehicle inspection. For your protection, we suggest that if you find any paint or appearance defect, you call it to the attention of your Chevrolet dealer without delay, as normal deterioration due to use and exposure is not covered by the Chevrolet New Car Warranty.

**Production Changes** — Chevrolet and authorized Chevrolet dealers reserve the right to make changes in passenger cars manufactured and/or sold by them at any time without incurring any obligation to make the same or similar changes on passenger cars previously manufactured and/or sold by them.

**Warranty Repair Order** — For your records, the servicing dealer will provide a copy of the Warranty Repair Order listing all warranty repairs performed.

**DELCO BATTERY LIMITED WARRANTY**

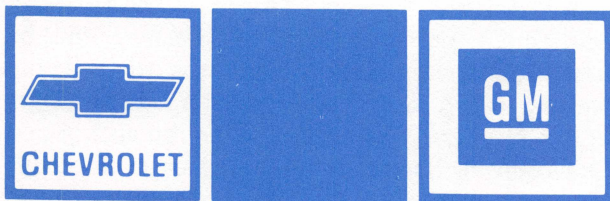

If the Delco Battery in your car should fail under normal service due to a defect in material or workmanship after the 12-month, 12,000-mile New Car Warranty expires, but before the car has been in operation 36 months, it can be replaced on a pro rata adjustment basis for a new Delco Battery of equal capacity. The pro rata adjustment price of the new battery will be based on the number of months the original battery was in service commencing with the start of the New Car Warranty. Contact an authorized Chevrolet or Delco Battery dealer (U.S. only) for further information on such adjustments.

The provisions of Delco Battery service adjustments do not apply (A) to failure in service due to abuse, accident or freezing, or (B) to costs for recharging the battery or for the use of a rental battery.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

Part No. 460215

## LIMITED WARRANTY

### 1977 CHEVROLET 140 CUBIC INCH 4 CYLINDER ENGINE GUARANTEE

Chevrolet Motor Division, General Motors Corporation,\* guarantees to the owner of the 1977 Chevrolet Vehicle identified on the cover and equipped with a Chevrolet 140 Cubic Inch 4 Cylinder Engine that any authorized Chevrolet dealer will make repairs without charge to the owner on those engine parts listed below made necessary because of defects in material or workmanship. Repairs will be made within a reasonable time after delivery of the Vehicle to a Chevrolet dealer at its place of business. This guarantee shall remain in effect until the Vehicle has accumulated 5 years or 60,000 miles of use, whichever first occurs, from the date of delivery to the first retail purchaser or date first placed in service as a demonstrator or company car, whichever is earlier.

#### ENGINE PARTS COVERED

This guarantee applies to the cylinder block, cylinder heads, all internal engine parts, intake and exhaust manifold and water pump.

\*For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

## EFFECT ON NEW VEHICLE WARRANTY

This guarantee in no way limits the terms of the Chevrolet New Vehicle Warranty.

### EXCLUSIONS

This guarantee does not cover:

- (1) Repairs required because of misuse, negligence, alteration, accident, lack of specified maintenance, or replacement of maintenance items (such as spark plugs, positive crankcase ventilation valves, filters) made in connection with normal maintenance services.
- (2) Loss of time, inconvenience, loss of use of the vehicle or other matters not specifically included.
- (3) Any repairs if the Vehicle is registered and normally operated outside the United States or Canada or if the Vehicle's odometer is altered so that actual mileage cannot be determined.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

CHEVROLET DOES NOT AUTHORIZE ANY PERSON TO CREATE FOR IT ANY OTHER OBLIGATION OR LIABILITY IN CONNECTION WITH THE CHEVROLET 140 CUBIC INCH 4 CYLINDER ENGINE PARTS COVERED BY THIS GUARANTEE. ANY IMPLIED WARRANTY APPLICABLE TO THESE ENGINE PARTS IS LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN GUARANTEE. CHEVROLET SHALL NOT BE LIABLE FOR CONSEQUENTIAL COMMERCIAL DAMAGES RESULTING FROM BREACH OF THIS GUARANTEE OR ANY IMPLIED WARRANTY.

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you (U.S. only).

### SELLING DEALER IMPRINT

### TIRE INFORMATION

Tires are warranted by the tire manufacturer under a separate warranty included with the owner literature supplied with your vehicle. Any authorized Chevrolet dealer will assist you in requesting an adjustment if this becomes necessary. For the added convenience of owners, many Chevrolet dealers have service agreements with tire manufacturers to handle tire warranty adjustments on tires provided on 1977 Chevrolet vehicles.

### 1977 CHEVROLET TRUCK AND CHASSIS SERIES 10 THRU 30 AND EL CAMINO EMISSION CONTROL SYSTEMS WARRANTY

Chevrolet (Chevrolet Motor Division, General Motors Corporation\*) warrants to owners of 1977 Chevrolet Truck and Chassis Series 10 thru 30 and El Camino (hereafter called "vehicle") that the vehicle (1) was designed, built, and equipped so as to conform at the time of sale with applicable regulations of the U.S. Federal Environmental Protection Agency, and (2) is free from defects in materials and workmanship which cause the vehicle to fail to conform with applicable Federal Environmental Protection Agency regulations for a period of use of 50,000 miles or 5 years, whichever occurs first.

The 5-year/50,000-mile warranty period shall begin on the date the vehicle is delivered to the first retail purchases or, if the vehicle is first placed in service as a demonstrator or company car prior to sale at retail, on the date the vehicle is first placed in such service.

### WHAT IS NOT COVERED BY THE EMISSIONS WARRANTY

#### THE WARRANTY OBLIGATIONS DO NOT APPLY TO:

- Conditions resulting from misuse, alteration, accident, failure to use recommended gasoline or not performing maintenance services;
- The replacement of maintenance parts (such as spark plugs, PCV valve, and filters) used in regular maintenance services;
- Loss of time, inconvenience, loss of use of the vehicle or other consequential damages;
- Any vehicle on which odometer mileage has been changed so that mileage cannot be readily determined.

Chevrolet does not authorize any person to create for it any other obligations or liability in connection with these systems. This warranty is in addition to the 1977 Chevrolet Truck and Chassis Series 10 thru 30 and El Camino New Vehicle Warranty.

\* For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

## RECOMMENDATIONS FOR MAINTENANCE SERVICE REPLACEMENT PARTS

The emission control systems of your new 1977 Chevrolet Truck and Chassis Series 10 thru 30 and El Camino vehicle were designed, built and tested using genuine GM parts and the vehicle is certified as being in conformity with federal regulations implementing the Clean Air Act. Accordingly, it is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new, genuine GM parts.

THE WARRANTY OBLIGATIONS ARE NOT DEPENDENT UPON THE USE OF ANY PARTICULAR BRAND OF REPLACEMENT PARTS. THE OWNER MAY ELECT TO USE NON-GENUINE GM PARTS FOR REPLACEMENT PURPOSES. USE OF REPLACEMENT PARTS WHICH ARE NOT OF EQUIVALENT QUALITY MAY IMPAIR THE EFFECTIVENESS OF EMISSION CONTROL SYSTEMS.

†"GENUINE GM PARTS," when used in connection with Chevrolet vehicles, means parts manufactured by or for Chevrolet, designed for use on Chevrolet vehicles and distributed by Chevrolet Motor Division or any division or subsidiary of General Motors Corporation.

MAINTENANCE SERVICE CAN BE PERFORMED BY ANY QUALIFIED SERVICE OUTLET; HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED CHEVROLET DEALER. Receipts covering the performance of regular maintenance should be retained in the event questions arise concerning maintenance. These receipts should be transferred to each subsequent owner of this vehicle.

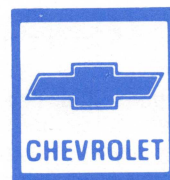

If other than new genuine GM parts are used for maintenance replacements or for the repair of components affecting emission control, the owner should assure himself that such parts are warranted by their manufacturer to be equivalent to genuine General Motors parts in performance and durability.

Listed below are components affecting emissions performance of your Chevrolet.

- \_\_\_\_\_\*Carburetor
- \_\_\_\_\_\*Spark Plugs and Wires
- \_\_\_\_\_\*Distributor and Associated Vacuum Controls
- \_\_\_\_\_\*Air Injection Reactor System Pump, Air Distributor and Valves

Part No. 460225

**LIMITED WARRANTY ON NEW 1977 CHEVROLET TRUCK  
AND CHASSIS SERIES 10 THRU 30 AND EL CAMINO**

**WHAT IS COVERED**

Chevrolet (Chevrolet Motor Division, General Motors Corporation\*) warrants to owners of 1977 Chevrolet Truck and Chassis Series 10 thru 30 and El Camino (hereafter called "vehicle") which are registered and normally operated in the United States or Canada:

- The Chevrolet dealer of the owner's choice will make any repairs on any part of the vehicle except tires, made necessary because of defects in material or workmanship for 12 months or 12,000 miles of use, whichever first occurs, and will make any needed service adjustments during the first 90 days of use as determined by a dealer road test, where applicable.
- The warranty period shall begin on the date the vehicle is delivered to the first retail purchaser or first placed in service as a demonstrator or company car, whichever is earlier.
- Warranty repairs and needed service adjustments will be performed without charge to the owner by the Chevrolet dealer at its place of business within a reasonable time after delivery of the vehicle to the dealer.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

Chevrolet does not authorize any person to create for it any other obligation or liability in connection with these vehicles. **ANY IMPLIED WARRANTY APPLICABLE TO THIS VEHICLE IS LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY. CHEVROLET SHALL NOT BE LIABLE FOR CONSEQUENTIAL COMMERCIAL DAMAGES RESULTING FROM BREACH OF THIS WRITTEN WARRANTY OR ANY IMPLIED WARRANTY.**

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you (U.S. only).

\*For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

**WHAT IS NOT COVERED**

- Repairs and service adjustments required because of misuse, negligence, alteration, accident, or lack of specified maintenance are not covered, nor are the replacement of maintenance items (such as spark plugs, positive crankcase ventilation valves, filters, brake pads and linings, and clutch discs) made in connection with normal maintenance services.
- Loss of time, inconvenience, loss of use of the vehicle or other matters not specifically included are not covered.
- Any vehicle registered and normally operated outside the United States or Canada. The warranty for these vehicles shall be that authorized for the country in which the vehicle is registered and normally operated.

**WHAT TO DO IF THERE IS A QUESTION REGARDING WARRANTY**

The satisfaction and goodwill of owners of Chevrolet products are of primary concern to Chevrolet dealers and Chevrolet Motor Division. In the event a warranty matter is not handled to your satisfaction, the following steps are suggested:

1. Discuss the problem with your Chevrolet

dealership management.

2. Contact the Chevrolet Zone office (General Motors Zone Office in Canada) closest to you as listed in the Chevrolet Owner's Manual.

3. Contact the Customer Service Manager\* at the address below.

**CHEVROLET MOTOR DIVISION, GENERAL MOTORS CORPORATION, Detroit, Michigan 48202**

\*In Canada contact the Owner Relations Manager at General Motors of Canada Limited, Oshawa, Ontario.

## POLICY ON CHEVROLET OWNER SERVICE

**Maintenance Services** – The Owner's Manual and Maintenance Schedule folder furnished with your vehicle provide important maintenance information. Follow these recommendations to help assure satisfactory operation of your vehicle and to avoid conditions arising from negligence or omission which are not covered by the Chevrolet New Vehicle Warranty.

**Warranty Service – United States and Canada** – If you are touring or in the event you move, service under the Chevrolet New Vehicle Warranty will be performed by any Chevrolet dealer in the United States or Canada. In all other cases, it is recommended that warranty service be performed by the authorized Chevrolet dealer who sold you your vehicle because of the dealer's continued and personal interest in you.

**Warranty Service – Foreign Countries** – Where General Motors dealer service is not available in the country in which you are touring and warranty repairs become necessary, you should obtain paid receipts covering the work from the service station or garage that performed the necessary repairs. Upon your return to the United States, a statement of the circumstances relative to the warranty work performed, along with the paid receipts, should be given to your Chevrolet dealer for review and reimbursement consideration.

**Paint and Other Appearance Items** – Imperfections in paint, trim or other appearance items are normally apparent and corrected during new vehicle inspection. For your protection, we suggest that if you find any paint or appearance defect, you call it to the attention of your Chevrolet dealer without delay, as normal deterioration due to use and exposure is not covered by the Chevrolet New Vehicle Warranty.

**Production Changes** – Chevrolet and authorized Chevrolet dealers reserve the right to make changes in vehicles manufactured and/or sold by them at any time without incurring any obligation to make the same or similar changes on vehicles previously manufactured and/or sold by them.

**Warranty Repair Order** – For your records, the servicing dealer will provide a copy of the Warranty Repair Order listing all warranty repairs performed.

## DELCO BATTERY LIMITED WARRANTY

If the Delco Battery in your vehicle should fail under normal service due to a defect in material or workmanship after the 12-month, 12,000-mile New Vehicle Warranty expires, but before the vehicle has been in operation 36 months, it can be replaced on a pro rata adjustment basis for a new Delco Battery of equal capacity. The pro rata adjustment price of the new battery will be based on the number of months the original battery was in service commencing with the start of the New Vehicle Warranty. Contact an authorized Chevrolet or Delco Battery dealer (U.S. only) for further information on such adjustments.

The provisions of Delco Battery service adjustments do not apply (A) to failure in service due to abuse, accident or freezing, or (B) to costs for recharging the battery or for the use of a rental battery.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

### CHEVROLET LUV-SERIES 6 EMISSION CONTROL SYSTEMS WARRANTY

Isuzu (Isuzu Motors Limited) warrants to owners of Chevrolet LUV-Series 6 vehicles that the vehicle (1) was designed, built, and equipped so as to conform at the time of sale with applicable regulations of the Federal Environmental Protection Agency, and (2) is free from defects in materials and workmanship which cause the vehicle to fail to conform with applicable Federal Environmental Protection Agency regulations for a period of use of 50,000 miles or 5 years, whichever occurs first.

The 5-year/50,000-mile warranty period shall begin on the date the vehicle is delivered to the first retail purchaser or, if the vehicle is first placed in service as a demonstrator or company vehicle prior to sale at retail, on the date the vehicle is first placed in such service.

### WHAT IS NOT COVERED BY THE EMISSIONS WARRANTY

THE WARRANTY OBLIGATIONS DO NOT APPLY TO:

- Conditions resulting from misuse, alteration, accident, failure to use unleaded gasoline or not performing maintenance services;
- The replacement of maintenance parts (such as spark plugs, and filters) used in regular maintenance services;
- Loss of time, inconvenience, loss of use of the vehicle or other consequential damages;
- Any vehicle on which odometer mileage has been changed so that mileage cannot be readily determined.

This is the only express emission control systems warranty applicable to the Chevrolet LUV and Isuzu neither assumes nor authorizes anyone to assume for it any obligation other than that of Chevrolet to make required repairs, or liability in connection with such systems. This warranty is in addition to the Chevrolet LUV New Vehicle Warranty covering such vehicle.

**RECOMMENDATIONS FOR REQUIRED  
MAINTENANCE SERVICE  
REPLACEMENT PARTS**

The emission control systems of your new Chevrolet LUV-Series 6 were designed, built and tested using genuine GM Parts\* and the vehicle is certified as being in conformity with federal regulations implementing the Clean Air Act. Accordingly, it is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new, genuine GM parts. Use of replacement parts which are not of equivalent quality may impair the effectiveness of such systems.

\*"GENUINE GM PARTS", when used in connection with Chevrolet vehicles, means parts manufactured by or for Chevrolet, designed for use on Chevrolet vehicles and distributed by Chevrolet Motor Division or any division or subsidiary of General Motors Corporation.

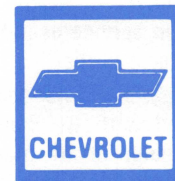

If other than new genuine GM parts are used for required maintenance service replacements or for the repair of components affecting emission control, the owner should assure himself that such parts are warranted by their manufacturer to be equivalent to genuine General Motors parts in performance and durability.

Listed below are the components affecting emissions performance of your Chevrolet.

PART NO. 460251

## LIMITED WARRANTY ON NEW CHEVROLET LUV-SERIES 6 VEHICLE

### WHAT IS COVERED

Chevrolet (Chevrolet Motor Division, General Motors Corporation\*) warrants to owners of Chevrolet LUV-Series 6 Truck (hereafter called "vehicle") which are registered and normally operated in the United States or Canada:

- The Chevrolet dealer of the owner's choice will make any repairs on any part of the vehicle except tires, made necessary because of defects in material or workmanship for 12 months or 12,000 miles of use, whichever first occurs, and will make any needed service adjustments during the first 90 days of use, as determined by a dealer road test, where applicable.
- The warranty period shall begin on the date the vehicle is delivered to the first retail purchaser or first placed in service as a demonstrator or company car, whichever is earlier.
- Warranty repairs and needed service adjustments will be performed without charge to the owner by the Chevrolet dealer at its place of business within a reasonable time after delivery of the vehicle to the dealer.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

Chevrolet does not authorize any person to create for it any other obligation or liability in connection with these vehicles. **ANY IMPLIED WARRANTY APPLICABLE TO THIS VEHICLE IS LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY. CHEVROLET SHALL NOT BE LIABLE FOR CONSEQUENTIAL COMMERCIAL DAMAGES RESULTING FROM BREACH OF THIS WRITTEN WARRANTY OR ANY IMPLIED WARRANTY.**

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you (U.S. only).

\*For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

### WHAT IS NOT COVERED

- Repairs and service adjustments required because of misuse, negligence, alteration, accident, or lack of specified maintenance are not covered, nor are the replacement of maintenance items (such as spark plugs, filters, brake pads and linings, and clutch discs) made in connection with normal maintenance services.
- Loss of time, inconvenience, loss of use of the vehicle or other matters not specifically included are not covered.
- Any vehicle registered and normally operated outside the United States or Canada. The warranty for these vehicles shall be that authorized for the country in which the vehicle is registered and normally operated.

### WHAT TO DO IF THERE IS A QUESTION REGARDING WARRANTY

The satisfaction and goodwill of owners of Chevrolet products are of primary concern to Chevrolet dealers and Chevrolet Motor Division. In the event a warranty matter is not handled to your satisfaction, the following steps are suggested:

1. Discuss the problem with your Chevrolet

dealership management.

2. Contact the Chevrolet Zone office (General Motors Zone Office in Canada) closest to you as listed in the Chevrolet Owner's Manual.
3. Contact the Customer Service Manager\* at the address below.

CHEVROLET MOTOR DIVISION, GENERAL MOTORS CORPORATION, Detroit, Michigan 48202

\*In Canada contact the Owner Relations Manager at General Motors of Canada Limited, Oshawa, Ontario.

## POLICY ON CHEVROLET OWNER SERVICE

**Maintenance Services** – The Owner's Manual and Maintenance Schedule folder furnished with your vehicle provide important maintenance information. Follow these recommendations to help assure satisfactory operation of your vehicle and to avoid conditions arising from negligence or omission which are not covered by the Chevrolet New Vehicle Warranty.

**Warranty Service – United States and Canada** – If you are touring or in the event you move, service under the Chevrolet New Vehicle Warranty will be performed by any Chevrolet dealer in the United States or Canada. In all other cases, it is recommended that warranty service be performed by the authorized Chevrolet dealer who sold you your vehicle because of the dealer's continued and personal interest in you.

**Warranty Service – Foreign Countries** – Where General Motors dealer service is not available in the country in which you are touring and warranty repairs become necessary, you should obtain paid receipts covering the work from the service station or garage that performed the necessary repairs. Upon your return to the United States, a statement of the circumstances relative to the warranty work performed, along with the paid receipts, should be given to your Chevrolet dealer for review and reimbursement consideration.

**Paint and Other Appearance Items** – Imperfections in paint, trim or other appearance items are normally apparent and corrected during new vehicle inspection. For your protection, we suggest that if you find any paint or appearance defect, you call it to the attention of your Chevrolet dealer without delay, as normal deterioration due to use and exposure is not covered by the Chevrolet New Vehicle Warranty.

**Production Changes** – Chevrolet and authorized Chevrolet dealers reserve the right to make changes in vehicles manufactured and/or sold by them at any time without incurring any obligation to make the same or similar changes on vehicles previously manufactured and/or sold by them.

**Warranty Repair Order** – For your records, the servicing dealer will provide a copy of the Warranty Repair Order listing all warranty repairs performed.

## BATTERY

If the original equipment battery in your LUV-Series 6 vehicle should fail under normal service due to a defect in material or workmanship before the vehicle has been in operation for 12 months or 12,000 miles, whichever first occurs, it will be replaced on a no charge basis.

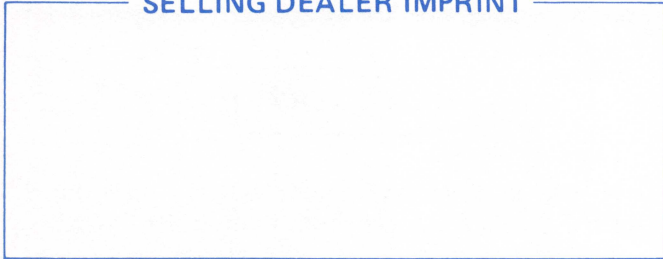

The above provisions do not apply (A) to failure in service due to abuse, accident or freezing, or (B) to costs for recharging the battery or for the use of a rental battery.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

**1977 CHEVROLET BLAZER CHALET EMISSION CONTROL SYSTEMS WARRANTY**

Chevrolet (Chevrolet Motor Division, General Motors Corporation\*) warrants to owners of 1977 Chevrolet Blazer Chalet (hereafter called "vehicle") that the vehicle (1) was designed, built, and equipped so as to conform at the time of sale with applicable regulations of the U.S. Federal Environmental Protection Agency, and (2) is free from defects in materials and workmanship which cause the vehicle to fail to conform with applicable Federal Environmental Protection Agency regulations for a period of use of 50,000 miles or 5 years, whichever occurs first.

The 5-year/50,000-mile warranty period shall begin on the date the vehicle is delivered to the first retail purchaser or, if the vehicle is first placed in service as a demonstrator or company car prior to sale at retail, on the date the vehicle is first placed in such service.

**WHAT IS NOT COVERED BY THE EMISSIONS WARRANTY**

**THE WARRANTY OBLIGATIONS DO NOT APPLY TO:**

- Conditions resulting from misuse, alteration, accident, failure to use recommended gasoline or not performing maintenance services;
- The replacement of maintenance parts (such as spark plugs, PCV valve, and filters) used in regular maintenance services;
- Loss of time, inconvenience, loss of use of the vehicle or other consequential damages;
- Any vehicle on which odometer mileage has been changed so that mileage cannot be readily determined.

Chevrolet does not authorize any person to create for it any other obligations or liability in connection with these systems. This warranty is in addition to the 1977 Chevrolet Blazer Chalet New Vehicle Warranty.

\* For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

## RECOMMENDATIONS FOR MAINTENANCE SERVICE REPLACEMENT PARTS

The emission control systems of your new 1977 Chevrolet Blazer Chalet vehicle were designed, built and tested using genuine GM parts† and the vehicle is certified as being in conformity with federal regulations implementing the Clean Air Act. Accordingly, it is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new, genuine GM parts.

THE WARRANTY OBLIGATIONS ARE NOT DEPENDENT UPON THE USE OF ANY PARTICULAR BRAND OF REPLACEMENT PARTS. THE OWNER MAY ELECT TO USE NON-GENUINE GM PARTS FOR REPLACEMENT PURPOSES. USE OF REPLACEMENT PARTS WHICH ARE NOT OF EQUIVALENT QUALITY MAY IMPAIR THE EFFECTIVENESS OF EMISSION CONTROL SYSTEMS.

†"GENUINE GM PARTS," when used in connection with Chevrolet vehicles, means parts manufactured by or for Chevrolet, designed for use on Chevrolet vehicles and distributed by Chevrolet Motor Division or any division or subsidiary of General Motors Corporation.

MAINTENANCE SERVICE CAN BE PERFORMED BY ANY QUALIFIED SERVICE OUTLET; HOWEVER, WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED CHEVROLET DEALER. Receipts covering the performance of regular maintenance should be retained in the event questions arise concerning maintenance. These receipts should be transferred to each subsequent owner of this vehicle.

If other than new genuine GM parts are used for maintenance replacements or for the repair of components affecting emission control, the owner should assure himself that such parts are warranted by their manufacturer to be equivalent to genuine General Motors parts in performance and durability.

## LIMITED WARRANTY ON NEW 1977 CHEVROLET BLAZER CHALET

### WHAT IS COVERED

Chevrolet (Chevrolet Motor Division, General Motors Corporation\*) warrants to owners of 1977 Chevrolet Blazer Chalet (hereafter called "vehicle") which are registered and normally operated in the United States or Canada:

- The Chevrolet dealer of the owner's choice will make any repairs on any part of the vehicle except tires, stove, L.P. gas bottle, heater, A.C. electric power kit and 3-way refrigerator, made necessary because of defects in material or workmanship for 12 months or 12,000 miles of use, whichever first occurs, and will make any needed service adjustments during the first 90 days of use as determined by a dealer road test, where applicable.
- The warranty period shall begin on the date the vehicle is delivered to the first retail purchaser or first placed in service as a demonstrator or company car, whichever is earlier.
- Warranty repairs and needed service adjustments will be performed without charge to the owner by the Chevrolet dealer at its place of business within a reasonable time after delivery of the vehicle to the dealer.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

Chevrolet does not authorize any person to create for it any other obligation or liability in connection with these vehicles. ANY IMPLIED WARRANTY APPLICABLE TO THIS VEHICLE IS LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY. CHEVROLET SHALL NOT BE LIABLE FOR CONSEQUENTIAL COMMERCIAL DAMAGES RESULTING FROM BREACH OF THIS WRITTEN WARRANTY OR ANY IMPLIED WARRANTY.

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you (U.S. only).

\*For vehicles sold in Canada, substitute the name General Motors of Canada Limited, wherever the name Chevrolet Motor Division, General Motors Corporation, appears in this folder.

### WHAT IS NOT COVERED

- Repairs and service adjustments required because of misuse, negligence, alteration, accident, or lack of specified maintenance are not covered, nor are the replacement of maintenance items (such as spark plugs, positive crankcase ventilation valves, filters, brake pads and linings, and clutch discs) made in connection with normal maintenance services.
- Loss of time, inconvenience, loss of use of the vehicle or other matters not specifically included are not covered.
- Any vehicle registered and normally operated outside the United States or Canada. The warranty for these vehicles shall be that authorized for the country in which the vehicle is registered and normally operated.

### WHAT TO DO IF THERE IS A QUESTION REGARDING WARRANTY

The satisfaction and goodwill of owners of Chevrolet products are of primary concern to Chevrolet dealers and Chevrolet Motor Division. In the event a warranty matter is not handled to your satisfaction, the following steps are suggested:

1. Discuss the problem with your Chevrolet

dealership management.

2. Contact the Chevrolet Zone office (General Motors Zone Office in Canada) closest to you as listed in the Chevrolet Owner's Manual.

3. Contact the Customer Service Manager\* at the address below.

CHEVROLET MOTOR DIVISION, GENERAL MOTORS CORPORATION, Detroit, Michigan 48202

\*In Canada contact the Owner Relations Manager at General Motors of Canada Limited, Oshawa, Ontario.

## POLICY ON CHEVROLET OWNER SERVICE

**Maintenance Services** — The Owner's Manual and Maintenance Schedule folder furnished with your vehicle provide important maintenance information. Follow these recommendations to help assure satisfactory operation of your vehicle and to avoid conditions arising from negligence or omission which are not covered by the Chevrolet New Vehicle Warranty.

**Warranty Service — United States and Canada** — If you are touring or in the event you move, service under the Chevrolet New Vehicle Warranty will be performed by any Chevrolet dealer in the United States or Canada. In all other cases, it is recommended that warranty service be performed by the authorized Chevrolet dealer who sold you your vehicle because of the dealer's continued and personal interest in you.

**Warranty Service — Foreign Countries** — Where General Motors dealer service is not available in the country in which you are touring and warranty repairs become necessary, you should obtain paid receipts covering the work from the service station or garage that performed the necessary repairs. Upon your return to the United States, a statement of the circumstances relative to the warranty work performed, along with the paid receipts, should be given to your Chevrolet dealer for review and reimbursement consideration.

**Paint and Other Appearance Items** — Imperfections in paint, trim or other appearance items are normally apparent and corrected during new vehicle inspection. For your protection, we suggest that if you find any paint or appearance defect, you call it to the attention of your Chevrolet dealer without delay, as normal deterioration due to use and exposure is not covered by the Chevrolet New Vehicle Warranty.

**Production Changes** — Chevrolet and authorized Chevrolet dealers reserve the right to make changes in vehicles manufactured and/or sold by them at any time without incurring any obligation to make the same or similar changes on vehicles previously manufactured and/or sold by them.

**Warranty Repair Order** — For your records, the servicing dealer will provide a copy of the Warranty Repair Order listing all warranty repairs performed.

## DELCO BATTERY LIMITED WARRANTY

If the Delco Battery in your vehicle should fail under normal service due to a defect in material or workmanship after the 12-month, 12,000-mile New Vehicle Warranty expires, but before the vehicle has been in operation 36 months, it can be replaced on a pro rata adjustment basis for a new Delco Battery of equal capacity. The pro rata adjustment price of the new battery will be based on the number of months the original battery was in service commencing with the start of the New Vehicle Warranty. Contact an authorized Chevrolet or Delco Battery dealer (U.S. only) for further information on such adjustments.

The provisions of Delco Battery service adjustments do not apply (A) to failure in service due to abuse, accident or freezing, or (B) to costs for recharging the battery or for the use of a rental battery.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state (province to province in Canada).

## WARRANTY AND REPAIR PROCEDURE

Basler Electric Company warrants the Lectro-Pak Power Center to be free from defects in material and workmanship for a period of one (1) year from date of purchase.

The attached Warranty Card must be filled out completely and returned to Basler Electric Company within 30 days after purchase or our warranty is void.

If a problem occurs with your Lectro-Pak which cannot be resolved by your dealer, contact the Service Department at Basler Electric Company by phone or letter for prompt assistance. In most cases, the problem can be resolved by communication. If not, you will be issued a Return Merchandise Authorization (RMA) number for use in returning the Lectro-Pak.

All returns must be made transportation prepaid and have the RMA number clearly marked on the outside of the carton. Merchandise returned without an RMA number clearly marked on the carton will be refused. Please fill out the RMA form on Page 13 of the Owner's Manual and return it with your Lectro-Pak. This will help expedite the repair and return to you.

For removing the converter, refer to instructions. On PC Models, refer to the "Trouble Shooting Section" I-D and IV-B. PCM Models must be removed as a complete unit.

Package the equipment carefully to avoid damage in shipment and return prepaid to Basler Electric Company, Route 143, Highland, Illinois 62249. *Note:* Basler Electric Company will not assume responsibility for any damage.

If the returned converter is beyond our warranty period or is defective due to obvious abuse, you will be notified of the cost of repair. Actual repair will be withheld until cost has been approved. Please allow 2 to 3 weeks repair time.

## LIMITED ONE YEAR WARRANTY

### RECREATIONAL VEHICLE RANGES

Coleman recreational vehicle ranges are warranted to the retail consumer for one year measured as set out below against defects in material and workmanship for parts only. Any defective parts will be replaced on an exchange basis when returned with transportation charges prepaid to The Coleman Company, Inc., 410 East 37th Street North, Wichita, Kansas 67219. The replacement parts will be shipped from Wichita, Kansas transportation charges collect, with the consumer responsible for these charges. The warranty on all replacement parts shall be for the unexpired term of the original warranty. This warranty does not cover any labor charges or other service charges. It is transferable.

#### CALCULATION OF WARRANTY PERIOD

The warranty period for a Coleman product installed as original equipment shall begin on the date of the original purchase by the retail consumer of the product in which it is installed. The beginning date for a Coleman product installed in a previously purchased product shall be the date of original installation. It is the retail consumer's responsibility to establish these dates in order to make a valid warranty claim.

#### EXCEPTIONS AND EXCLUSIONS

To the extent any or all of the following exclusions are prohibited by the law of any state or municipality, and cannot be preempted, they shall not be applicable:

1. There are no other express warranties except as set out above, and any implied warranties are limited in duration to that of the express warranty.
2. THERE IS NO WARRANTY COVERING CONSEQUENTIAL DAMAGES, INCIDENTAL DAMAGES, OR INCIDENTAL EXPENSES, INCLUDING DAMAGE TO PROPERTY.
3. There is no warranty covering damages caused by failure to perform normal and routine maintenance as set out in the operation and service instructions.
4. There is no warranty covering damages caused by mishandling, neglect, lightning, corrosive atmospheres, improper installation, or improper energy supply.
5. This warranty shall not apply to Coleman products used in rental units. Such products shall be covered by a 90 day warranty.
6. This warranty shall be void if nameplate is removed or defaced.
7. This warranty applies only to products sold at retail in the United States and Canada.

#### WARRANTY NOTICE

This warranty has been drafted to comply with new federal law applicable to products manufactured after July 4, 1975. It replaces any warranty included elsewhere in this package.

## CARLSON INDUSTRIES

313 SOUTH RAYMOND AVENUE  
ALHAMBRA, CALIFORNIA 91803

(213) 283-1038

### CARLSON FURNACE WARRANTY 2 YEAR WARRANTY

1. This furnace is manufactured and tested under the most exacting conditions to promote long life and trouble free use.
2. Carlson Industries warrants to the original owner, any part of this unit which proves defective in workmanship or material, will be replaced or repaired without charge for a period of two (2) years from original date of purchase (not including labor charges after ninety (90) days).
3. Our obligation is limited to exchange at our plant any part or parts within the Warranty period.
4. This Warranty does not cover any damage done to the unit, or resulting from misuse, abuse, accident, or improper installation.
5. Carlson Industries will not be responsible for any labor charges that have not been authorized in writing by Carlson Industries.

#### HELPFUL HINTS

1. If outside of vehicle gets sooty or black, most likely there is a spider or spider web in the burner.
2. If burner will not light when pilot is lit and valve turned to "ON", there may be some foreign matter in burner orifice or a spider web over orifice.
3. If flame goes out, it may be:
  - a. The lighter hole cover is open.
  - b. The vent pipe and collar on vent cap do not overlap approximately 1½".
  - c. Weak thermocouple.

# Limited Warranty

Each Seller named below warrants that this Dometic refrigerator is free from defects in material and workmanship under normal use and service, on the following terms:

1. This Warranty is made only to the first purchaser who acquires this refrigerator for his own use (hereafter called the "Original Purchaser").
2. This Warranty will be honored by Seller or by any Dometic Service Center. A current list of Dometic Service Centers will be sent to the Original Purchaser upon receipt of the enclosed Warranty Registration Card, or on request.
3. Any part of this refrigerator returned to Seller or to any Dometic Service Center which, upon examination, is determined by them to have been defective in material or workmanship, will, at their option, be repaired or replaced under this Warranty without charge for material or labor.
4. The obligation to repair or replace defective parts will apply only to parts returned to Seller or to a Dometic Service Center within one year of the date of purchase by the Original Purchaser, and will constitute Seller's sole obligation under this Warranty.
5. Seller will have no obligation under this Warranty with respect to conditions unrelated to the material or workmanship of this refrigerator. Such unrelated conditions include, without limitation (a) faulty installation or venting and any damage resulting therefrom; (b) the need for normal maintenance of this refrigerator (including the cleaning of the burner jet and flue tube and the adjustment of the gas pressure regulator), and any damage resulting from the failure to provide such maintenance; and (c) any accident to, or misuse of, any part of this refrigerator, and any alteration thereof by anyone other than Seller or its authorized representative.

**SELLER WILL NOT BE LIABLE FOR SPECIAL OR CONSEQUENTIAL DAMAGES.**

**THE DURATION OF ANY IMPLIED WARRANTY CREATED BY OPERATION OF LAW IN CONNECTION WITH THE PURCHASE OF THIS REFRIGERATOR IS LIMITED TO ONE YEAR FROM THE DATE OF PURCHASE BY THE ORIGINAL PURCHASER, AS HEREIN DEFINED.**

## DOMETICARE

### ADDITIONAL FOUR-YEAR COOLING UNIT COVERAGE

A service contract covering replacement of the cooling unit only of this refrigerator for an additional four-year period after the expiration of the warranty period is available through our Dometicare Program at a one-time charge of \$25.

The Dometicare service contract entitles the Original Purchaser (i.e., the first purchaser who acquires the refrigerator for his own use) to have the cooling unit replaced if it should fail during the term of the service contract. The defective cooling unit will be replaced without cost for labor or parts at any Dometic Service Center. The Dometicare service contract is non-transferable and non-renewable.

In order to obtain the Dometicare service contract, please mail the enclosed Dometicare service application, with a check for \$25 to one of the following firms, whichever is in your area:

United States:

Dometic Sales Corporation  
2320 Industrial Parkway (P.O. Box 490)  
Elkhart, Indiana 46514

Canada:

Dometic Sales of Canada Ltd.  
2270 Speers Road (P.O. Box 212)  
Oakville, Ontario, Canada

The application and check must be mailed within 30 days of purchase. A Dometicare credit card entitling you to the service described will be mailed to you on receipt of application.

## Highway safety depends on—
